

Patrullero 260

Overview

River boat conceived to work in interior waters and bays. It is built on a modified 'V' hull, which provides low draft and excellent performance. This boat can carry 20 armed men with their gear and can be fitted with an M60-type gun in the bow. It can also be configured as a heavy river combat boat, with four M60-type guns, 2 per side, and two .50 caliber guns, one forward and one aft.
